# **WOOLIE TRAIL ASSOCIATION**

The Woolie Trail Association is looking for members! Do you want more outdoors opportunities at Millbury High School? Are you interested in building, maintaining and using trails on and around our school campus? Our mission is to create multi-use trails for hiking, trail running, snowshoeing, bicycling, or any other non-motorized sport that takes you out into the woods. As a member of the WTA you will:

- Learn about safe, low impact trail construction
- Plan and implement a small, local trail system
- Contribute to a community service learning project
- Collaborate with other outdoor enthusiasts
- Bring trails to the woods of MHS
- Get out in the great outdoors!

Our first meeting is next week (details below)

Open to any MJSHS student, Grades 7-12

See Mr. McQuade with questions

**First Meeting:**

**After School - Monday, Dec. 21**

**Mr. McQuade's Room - B205**
